

# Disaster Preparedness Symposium

Life safety for the workplace

Learn how to prepare for a disaster (man-made or natural), including:

## Morning Session

Experts in the field discuss:

- What to expect from government before & after a disaster
- How to take care of the "Home Front" before the disaster
- What you should do (and not do) while waiting for help

## Afternoon Session

Government Agencies and Evergreen Safety Council will provide a "How To" breakout session which will include:

- Create or review your existing Emergency Plan
- Develop a complete Emergency/Life Safety Plan

## *Sponsored by:*

- Evergreen Safety Council
- Seattle Fire Department
- King County Emergency Management
- Washington State Dept. of Labor and Industries
- Associated General Contractors
- OSHA Region X
